Annual Budget Meeting
Saturday, October 15, 1994
at 3:00 p.m.

Discussion and vote on the proposed budget for 1995. Despite inflation the board felt it best to keep the budget within previous financial guidelines. Other items that will be discussed after the budget proposal /vote are:

1. Cleaning up the stable area for the boarding of horses. The request for this amenity has grown immensely.
2. Ruling against unlicensed off-road vehicles. We currently have a problem with off-road bikes in regards to noise and driving over the 25 mph speed limit.

We invite all members and their families to join us for a covered dish luncheon at 1:00 p.m. prior to the Annual Budget Meeting . Please bring a covered dish to feed your family plus six others. Drinks, cups, plates, and utensils will be supplied by the club. We hope to see you there.

THE GREAT TRASH-OFF begins October 1. Malvern Club, Inc. will pick up trash on Route 634 on Friday **SEPTEMBER 30th** at 9:00 a.m. and Thursday **SEPTEMBER 29th** at 4:30 p.m. Please call Loyd Epperly at 948-4620 if you can assist with the Great Trash Off. This pick up usually takes 1.5 hours. We meet at the front gate. Wear gloves, appropriate foot wear and a belt to hold extra sacks. Sacks and safety vests are provided. A stick with a prong to assist in pick up is helpful.

Malvern Club, Inc.
Policy on Reservations and Use of the Clubhouse and Club Facilities as of
July 1994

With the drastic increase in the number of Malvern residents and consequent use of the common facilities, it has become necessary to revise and repeat our rules and regulations governing all facilities: clubhouse, teen center, pool and lake.

CLUBHOUSE:

1. Overnight use:
 - a.) Number of persons: reservation is limited to 4 people. (2 adults in each clubhouse guest room.)
 - b.) Reservations are limited to five (5) consecutive days at one time.
 - c.) There will be a charge of \$15.00 per room per night. (With the limit of 2 in each room.)
 - d.) Sleeping in other areas of the clubhouse is not allowed.
 - e.) All reservations are on a first-come, first-serve basis.

2. Day use of facilities:
 - a.) For picnics, church outings, family reunions, civic organizations, social club meetings, weddings, receptions, parties, etc., there will be a charge(s) of: 1. \$75.00 for parties of 25 people or more. \$25.00 will be refunded if facility is left in the same condition it was found. 2. \$25.00 for parties of 25 people or less.
 - b.) There will be no parties or other activities sponsored by non-club members. In other words, only club members may request use of the clubhouse for their own personal use or for and organization of which they are a member-e.g.: civic organization, church, social club, etc. The Board will sponsor the annual Fire Department and Rescue Squad picnics as our community outreach.

3. Cleanliness:

The clubhouse must be kept clean and presentable at all times for use by lot owners. As we all know, the clubhouse was not designed for hard or careless usage and, therefore, each person must clean it before leaving after overnights or sponsored functions. The vacuum cleaner is in one of the hall closets and other cleaning materials are located in cabinets under the kitchen sink.

- 4.) Smoking is prohibited in the clubhouse and teen center.

- 5.) Use without charge
There will be no charge for a property owner arriving with members of his family to spend the day.

- 6.) Use of the facilities is restricted to members in good standing only.
(By-law IV)

- 7.) Swim suits are not allowed in any area of the clubhouse.

- 8.) During school days, to accommodate the school bus, no parking on the upper portion of the circle drive adjacent to the clubhouse and teen center. It is also requested that cars not be parked on the grass areas.
